

# ALFIE HEX

## PRODUCT DESCRIPTION

Alfie Hex is an ultra-compact wash mini moving head that sports 4 x 12W 6-in-1 LEDs (RGBWA+UV) and a 25° beam angle. Due to its 24 color macros, its strobe function and its dimmer control of 0-100%, incredible effects can be achieved at any intensity level. Alfie Hex is the ideal solution for any application that requires a silent operation capacity. In addition, thanks to its low weight and compact size it becomes the perfect tool for mobile applications.

### 6-in-1 LEDs

This fixture stands out due to its light source of internal mixing, that optimizes and blends the color mixture with no multi-colored shadows during the projection. In this particular case, white, amber and UV are added to the traditional RGB color mixing.

### Lightweight & Compact design

Designed for mobile applications this moving head stands out not only for its performance, but also for its light and compact design.

Lightweight and portable, Alfie Hex is the ideal fixture for the small scale applications where portability is a must.

## PRODUCT SPECIFICATIONS

### Source & Optics

Light Source: 4 x 12W 6-in-1 LEDs

LEDs life: 60,000 hours

Beam angle: 25°

### Photometric data

Luminous flux: 325 Lux @ 3M (10 ft.)

### Effects and functions

Dimmer: Full range 0-100%

Strobe effects

6 color LED technology: Smooth RGBWA+UV  
color mixture without multicolor shadows

24 color macros

4 built-in programs

### Control

DMX Channels: 9/15

Operation modes: DMX, Master/Slave,  
Auto-run, sound/active & built-in prgms

### Movement

Pan: 540° / Tilt: 180°

### Physical

DMX Connectors: 2 x XLR-3 in & out

Power Supply: Interlock

LCD Display

Dimensions: 124x192x143 mm.

4.9x7.5x5.6 in.

Weight: 2 Kg. / 4.4 Lbs.
